Nordea Asset Management is the functional name of the asset management business conducted by the legal entities Nordea Investment Funds S.A. and Nordea Investment Management AB ("the Legal Entities") and their branches, subsidiaries and representative offices. This website is intended to provide the reader with information on Nordea's specific capabilities. **This website (or any views or opinions expressed on this website) does not amount to an investment advice** nor does it constitute a recommendation to invest in any financial product, investment structure or instrument, to enter into or unwind any transaction or to participate in any particular trading strategy. This website does not include any offer to buy or sell, or any solicitation of an offer to buy or sell any security or instruments or to participate to any such trading strategy. Any such offering may be made only by an Offering Memorandum, or any similar contractual arrangement. Consequently, the information contained herein will be superseded in its entirety by such Offering Memorandum or contractual arrangement in its final form. Any investment decision should therefore only be based on the final legal documentation, without limitation and if applicable, Offering Memorandum, contractual arrangement, any relevant prospectus and the latest key investor information document (where applicable) relating to the investment. The appropriateness of an investment or strategy will depend on an investor's full circumstances and objectives. Nordea Investment Management recommends that investors independently evaluate particular investments and strategies as well as encourages investors to seek the advice of independent financial advisors when deemed relevant by the investor. Any products, securities, instruments or strategies discussed on this website may not be suitable for all investors. This website contains information which has been taken from a number of sources. While the information herein is considered to be correct, no representation or warranty can be given on the ultimate accuracy or completeness of such information and investors may use further sources to form a well-informed investment decision. Prospective investors or counterparties should discuss with their professional tax, legal, accounting and other adviser(s) with regards to the potential effect of any investment that they may enter into, including the possible risks and benefits of such investment. Prospective investors or counterparties should also fully understand the potential investment and ascertain that they have made an independent assessment of the appropriateness of such potential investment, based solely on their own intentions and ambitions. Investments in derivative and foreign exchange related transactions may be subject to significant fluctuations which may affect the value of an investment. **Investments in Emerging Markets involve a higher element of risk. The value of the investment can greatly fluctuate and cannot be ensured. Investments in equity and debt instruments issued by banks could bear the risk of being subject to the bail-in mechanism (meaning that equity and debt instruments could be written down in order to ensure that most unsecured creditors of an institution bear appropriate losses) as foreseen in EU Directive 2014/59/EU.** Nordea Asset Management has decided to bear the cost for research, i.e. such cost is covered by existing fee arrangements (Management-/Administration-Fee).
