All assets and liabilities will be realised, your shares will be compulsorily redeemed and the liquidation proceeds will be paid to shareholders of the Fund as soon as possible after the liquidation based on the final net asset value per share. The proceeds will be distributed to the shareholders in proportion to their holdings in the Fund and be settled in accordance with the provisions of the prospectus of Nordea 1, SICAV.

The Fund will bear the securities transaction costs only. All other costs associated with the liquidation will be borne by the management company of the Fund, Nordea Investment Funds S.A.
