

NOTICE TO SHAREHOLDERS

Nordea 1 – North American Small Cap Fund

and

Nordea 1 – Global Small Cap Fund

We would like to inform you that the board of directors of Nordea 1, SICAV (the “**Board of Directors**”) has decided to merge Nordea 1 – North American Small Cap Fund (the “**Merging Fund**”) with Nordea 1 – Global Small Cap Fund (the “**Receiving Fund**”) (the “**Merger**”).

The Merging Fund together with the Receiving Fund are hereinafter to be referred to as the “**Funds**” whereas Nordea 1, SICAV is to be referred to as the “**Company**”.

The Merger shall become effective on 9 December 2022 (the “**Effective Date**”).

On the Effective Date, all assets and liabilities of the Merging Fund will be transferred to the Receiving Fund. The Merging Fund will cease to exist as a result of the Merger and thereby will be dissolved on the Effective Date without going into liquidation.

1. Reasons for the Merger

- 1.1 The Board of Directors considers that the Merging Fund has limited prospects for growth.
- 1.2 Through the Merger, shareholders will benefit from investment into a fund with higher assets under management and which promotes environmental, social and corporate governance characteristics (“**ESG Investments**”) as per Article 8 of the Regulation 2019/2088 on Sustainability-Related Disclosures in the Financial Services Sector (“**SFDR**”).
- 1.3 Consequently, the Board of Directors believes that the Merger is in line with shareholders’ best interests.

2. Expected impact of the Merger on shareholders in the Merging Fund

- 2.1 Through the Merger, all assets and liabilities of the Merging Fund will be transferred to the Receiving Fund and, as of the Effective Date, the Merging Fund will cease to exist without going into liquidation.
- 2.2 The Merger will be binding on all shareholders who have not exercised their right to request the redemption or switch of shares under the conditions and within the timeframe set out below. On the Effective Date, shareholders of the Merging Fund who have not exercised their right to redeem or switch shares will become shareholders in the Receiving Fund and thereby receive shares in the corresponding share class in the Receiving Fund with the ongoing charges and the risk and reward indicators (“**SRRIs**”) as provided below.

2.3 In accordance with section 6, the net asset value per share in the Merging Fund and the net asset value per share in the Receiving Fund will not necessarily be the same. Therefore, while the overall value of their holding will remain the same, shareholders in the Merging Fund may receive a different number of new shares in the Receiving Fund than the number of shares they held in the Merging Fund.

2.4 Please see section 4 for details concerning any impact on the Merging Fund's portfolio.

2.5 The key similarities between the Merging Fund and the Receiving Fund are set out in Appendix I to this notice. There are notably the following key similarities between the Merging Fund and Receiving Fund :

- Largely similar investment objectives, policies and strategies, with both Funds mainly investing in equities and equity-related securities issued by companies whose market capitalisation (at the time of purchase) is between USD 50 million and USD 10 billion;
- Both funds calculate their global risk exposure using the Commitment method;
- Both Funds have a base currency of USD;
- Both Funds have a recommended holding period of 5 years;
- The AP – USD, BF – EUR, BI – EUR, BI – USD, BP – EUR, BP – SEK, BP – USD, E – EUR, E – USD and HB - EUR share classes in both Funds have an SRRI of 6;
- The Funds' management fees are identical.

2.6 The procedures that apply to matters such as dealing, subscription, redemption, switching and transferring of shares and method of calculating the net asset value, are the same in the Merging Fund and the Receiving Fund.

2.7 Details of main differences between the Merging Fund and the Receiving Fund are disclosed in Appendix I. In terms of key differences, the following should be highlighted :

- The Merging Fund mainly invests in small capitalisation equities of North American companies whereas the Receiving Fund mainly invests in small capitalisation equities of companies from anywhere in the world, including in emerging and frontier markets;
- The Receiving Fund promotes ESG characteristics as per Article 8 of the SFDR, whereas the Merging Fund qualifies as an Article 6 of the SFDR and the investments underlying the fund do not take into account the EU criteria for environmentally sustainable economic activities;
- The Merging Fund is managed by River Road Asset Management LLC and the Receiving Fund is managed by GW&K Investment Management LLC;
- Due to its global outlook, the Receiving Fund's risk factors are more extensive and include warnings on Depositary receipt, emerging and frontier markets, liquidity, securities handling and taxation;
- The Funds have different benchmarks, with the Merging Fund using the Russell 2000 Value Index (Net Return) for performance comparison only, and the Receiving Fund using the MSCI World Small Cap Index (Net Return) for performance comparison only;
- The ongoing charges are lower in the Receiving Fund than in the Merging Fund.

3. Expected impact of the Merger on the shareholders in the Receiving Fund

- 3.1 On implementation of the Merger, shareholders in the Receiving Fund will continue to hold the same shares as before and there will be no change in the rights attaching to such shares. The Merger will result neither in changes to the articles of association or prospectus of the Company, nor in changes to the key investor information documents (the “**KIIDs**”) of the Receiving Fund.
- 3.2 On implementation of the Merger, the aggregate net asset value of the Receiving Fund will increase as a result of the transfer of the Merging Fund’s assets and liabilities.

4. Expected portfolio impact

- 4.1 The holdings in the Merging Fund will be sold and transferred to the Receiving Fund in cash on the Effective Date. The sale of assets prior to the Effective Date may affect the portfolio and performance of the Merging Fund. As a consequence, the Merging Fund might not be compliant with its investment objective, investment policy and investment restrictions during eight (8) business days preceding the Effective Date.
- 4.2 The cash that is expected to be transferred from the Merging Fund to the Receiving Fund shall be invested in accordance with the Receiving Fund’s investment policy. It is not expected that any rebalancing of the portfolio of the Receiving Fund will take place, either before or after the Effective Date. As a result of the Merger and the level of cash transferred to the Receiving Fund, the Receiving Fund might not be compliant with its investment objective, investment policy and investment restrictions on, and a few business days after, the Effective Date.

5. Suspension in dealings

- 5.1 Shares of the Merging Fund can be subscribed, redeemed and switched to shares of the same or another share class of another fund of the Company, not involved in the Merger until before 15:30 CET on 30 November 2022. At or after 15:30 CET on 30 November 2022 the possibility to subscribe, redeem and switch shares in the Merging Fund will be suspended until the Effective Date.
- 5.2 Shareholders of the Receiving Fund will not be impacted by the suspension of subscriptions, redemptions and switches in the Merging Fund.
- 5.3 Shares of both Funds can be redeemed or switched to shares of the same or another share class of another fund of the Company, not involved in the Merger, free of charge from the date of this notice until before 15:30 CET on 30 November 2022. At or after 15:30 CET on 30 November 2022, the possibility to redeem or switch shares free of charge will be suspended.
- 5.4 The right to redeem and switch shares free of charge, for shareholders of both Funds, may be subject to transaction fees charged by local intermediaries, which are independent from the Company and the management company, Nordea Investment Funds S.A. (the “**Management Company**”).

6. Valuation and exchange ratio

- 6.1 On the business day prior to the Effective Date, the Management Company will calculate the net asset value per share class and determine the exchange ratio.

6.2 For the calculation of the exchange ratio, the rules for the calculation of the net asset value, laid down in the articles of incorporation and the prospectus of the Company, will apply to determine the value of the assets and liabilities of the Funds.

6.3 The number of new shares in the Receiving Fund to be issued to each shareholder will be calculated using the exchange ratio calculated on the basis of the net asset value of the shares of the Funds. The shares of the Merging Fund will then be cancelled.

6.4 The exchange ratio will be calculated as follows:

- The net asset value per share of the relevant share class of the Merging Fund is divided by the net asset value per share of the relevant share class in the Receiving Fund.
- The applicable net asset value per share of the Merging Fund and the net asset value per share of the Receiving Fund will be those having both been determined on the business day prior to the Effective Date.

6.5 Any accrued income in the Merging Fund will be included in the final net asset value of the Merging Fund and accounted for in the net asset value of the relevant share classes of the Receiving Fund after the Effective Date.

6.6 No cash payment shall be made to shareholders in exchange for the shares.

7. Additional documents available

7.1 Shareholders of the Merging Fund are invited to carefully read the relevant KIIDs of the Receiving Fund and the relevant prospectus(es) before making any decision in relation to the Merger. The prospectus(es) and the KIIDs (once available) can be found free of charge at nordea.lu and at the registered office of the Company upon request.

7.2 A copy of the report of the auditor, validating the criteria adopted for valuation of the assets and, as the case may be, the liabilities and the calculation method of the exchange ratio as well as the exchange ratio, is available free of charge upon request at the registered office of the Company.

8. Costs of Merger

The Management Company will bear the legal, advisory and administrative costs and expenses associated with the preparation and completion of the Merger.

9. Tax

The shareholders of the Merging Fund and of the Receiving Fund are invited to consult their own tax advisors with respect to the tax impact of the contemplated Merger.
