

NOTICE TO SHAREHOLDERS

As shareholders of Nordea 1, SICAV, you are hereby informed that a new Prospectus of Nordea 1, SICAV will be issued in May 2020 including the following key changes effective as from 5 May 2020 (the “Effective Date”).

1.Key changes

1.1 relevant to all shareholders

For all funds using a **benchmark for performance comparison** only, it is clarified that the risk characteristics of the funds’ portfolios may bear some resemblance to those of the benchmark.

The covered bond risk description is amended to remove any reference to ABS and clarify that in addition to carrying credit, default and interest rate risks, covered bonds could face the risk that the collateral set aside to secure bond principal could decline in value.

The section “Privacy of Personal Data” is updated to clarify that providers appointed by the management company may use Personal Data.

The section on **swing pricing** is enhanced to include additional description of swing mechanism.

It is added that the management company may occasionally reduce or waive the management fees and operational expenses.

It is clarified that the management fees for Q and F share classes are maximum fees.

It is clarified that the permitted usage of repurchase transactions is normally 100% of total assets. In case of any deviation from the above level, the expected or permitted usage is disclosed in “Fund Descriptions”.

The lists of sub-investment managers and local representative and paying agents are updated.
