

## NOTICE TO UNITHOLDERS

As unitholders of Nordea Asset Allocation Fund (the “**Fund**”), you are hereby informed that a new prospectus (the “**Prospectus**”) of the Fund will be issued with effect from 8 March 2023 with the following change:

- The internal limit that restricts the Fund’s sub-funds from investing more than 10% of their total assets in other UCITS/UCIs (unless specifically stated in the “Fund Descriptions” section of the prospectus), which was inadvertently added to the prospectus published in August 2022, is removed.

### Contact information

Professional and institutional unitholders having any question relating to the above changes should not hesitate to contact their usual professional advisor or intermediary or their local client services office via [nordea.lu](http://nordea.lu) or at [nordeafunds@nordea.com](mailto:nordeafunds@nordea.com). Retail investors having any question relating to the above changes should contact their usual financial advisor.
