

Flexibility. Always.

Nordea 1 – Flexible Fixed Income Fund

LU0915365364 (BP-EUR)/LU0915363070 (BI-EUR)

Highlights

- A global, unconstrained fixed income portfolio focused on capital preservation
- Targets cash +2% p.a. with an expected volatility between 2 to 5% over a full investment cycle¹
- Strong track record of attractive risk adjusted returns
- Managed by the same team and follows the same philosophy as our Nordea 1 – Stable Return Fund

About this fund

- **Well diversified portfolio:** combines highly liquid uncorrelated investments providing great diversification benefits across fixed income markets and currencies.
- **Exploits global opportunities:** the fund invests globally without being constrained by segment, country, credit rating, sector, etc.
- **Disciplined and proven investment process:** resulting in a comprehensive, sustainable and replicable over time fund performance.

Benefits for a client's portfolio

- **Flexibility:** able to navigate volatile Fixed Income markets and manage downside risk while still generating attractive returns.
- **Focused on fixed income assets:** designed for investors that are unable or unwilling to invest more in equities, but still want attractive solutions with moderate risk
- **Improves the risk/reward profile:** a proven solution offering a more attractive risk reward profile than most traditional fixed income asset classes.

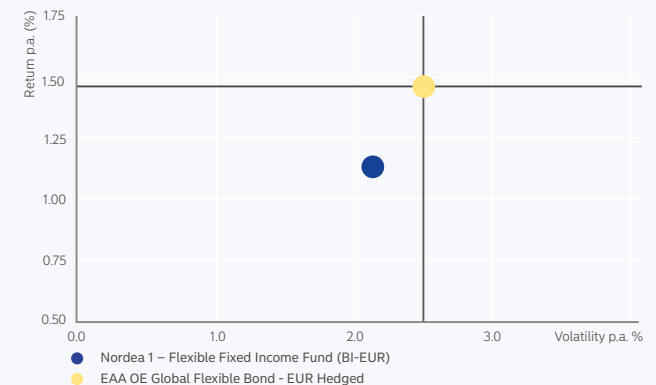

¹) There can be no warranty that an investment objective, targeted returns and results of an investment structure is achieved.

Why this product?

- **Preserve your client's capital:** we set a risk budget that we can fully exploit but not exceed. We aim to maximise our returns within the given risk constraints.
- **Keep it flexible to achieve your goals:** While capital preservation is of major importance, the portfolio has the flexibility to combine global fixed income assets and currencies in order to still deliver attractive returns.
- **Benefit from our expertise:** managed by Nordea's Multi Assets team, following a similar risk balancing investment philosophy to our successful Nordea 1 – Stable Return Fund.

Attractive risk-reward profile

The fund has offered an attractive risk adjusted performance over three years: annualised return of 1.14%² with a volatility of 2.11%².

About the managers

Since its inception, the fund has been managed by the same portfolio managers. They belong to Nordea's Multi Assets Team in Copenhagen, Denmark, **which has around 40 professionals managing more than EUR 100 bn in different strategies**⁴. This team was created in late 2003 with the intention of increasing the ability to consistently deliver good performance and high quality solutions regardless of clients' investment horizons. Since then, the team has constantly grown in size and the assets managed increased steadily.

Source (unless otherwise stated): Nordea Investment Funds S.A. Period under consideration (unless otherwise stated): 30.06.2018 – 30.09.2018. Performance calculated NAV to NAV (net of fees and Luxembourg taxes) in the currency of the respective share class, gross income and dividends reinvested, excluding initial and exit charges as per 30.09.2018. Initial and exit charges could affect the value of the performance. **The performance represented is historical; past performance is not a reliable indicator of future results and investors may not recover the full amount invested. The value of shares can greatly fluctuate as a result of the sub-fund's investment policy and cannot be ensured.** If the currency of the respective share class differs from the currency of the country where the investor resides the represented performance might vary due to currency fluctuations. The sub-funds mentioned are part of Nordea 1, SICAV, an open-ended Luxembourg-based investment company (Société d'Investissement à Capital Variable), validly formed and existing in accordance with the laws of Luxembourg and with European Council Directive 2009/65/EC of 13 July 2009. **This document is advertising material and does not disclose all relevant information concerning the presented sub-funds.** Any investment decision in the sub-funds should be made on the basis of the current prospectus and the Key Investor Information Document (KIID), which are available, along with the current annual and semi-annual reports, electronically in English and in the local language of the market where the mentioned SICAV is authorised for distribution, without charge upon request from Nordea Investment Funds S.A., 562, rue de Neudorf, P.O. Box 782, L-2017 Luxembourg, from the local representatives or information agents, or from our distributors. Investments in derivative and foreign exchange transactions may be subject to significant fluctuations which may affect the value of an investment. **Investments in Emerging Markets involve a higher element of risk. The value of shares can greatly fluctuate as a result of the sub-fund's investment policy and cannot be ensured. Investments in equity and debt instruments issued by banks could bear the risk of being subject to the bail-in mechanism (meaning that equity and debt instruments could be written down in order to ensure that most unsecured creditors of an institution bear appropriate losses) as foreseen in EU Directive 2014/59/EU.** For further details of investment risks associated with these sub-funds, please refer to the relevant Key Investor Information Document (KIID), available as described above. Nordea Investment Funds S.A. has decided to bear the cost for research, i.e. such cost is covered by existing fee arrangements (Management-/Administration-Fee).
