Investment Strategy

The fund pursues a total return strategy that combines a proven top down analytical framework with a rigorous bottom-up process to eliminate uncompensated risk. The fund seeks to exploit opportunities in the global credit markets, unconstrained by a benchmark, through a process of multi-sector asset allocation strategies. Portfolio returns result from dynamic asset allocation among instruments. The team seeks to deliver positive returns over and throughout a full market cycle while closely monitoring the portfolio to mitigate downside risk. The fund has a duration bandwidth of 0 to 7.

Source (unless otherwise stated): Nordea Investment Funds S.A. Period under consideration (unless otherwise stated): 28/02/2020 - 31/03/2020. Performance calculated NAV to NAV (net of fees and Luxembourg taxes) in the currency of the respective share class, gross income and dividends reinvested, excluding initial and exit charges as per 31/03/2020. Initial and exit charges could affect the value of the performance. **The performance represented is historical; past performance is not a reliable indicator of future results and investors may not recover the full amount invested. The value of shares can greatly fluctuate as a result of the sub-fund's investment policy and cannot be ensured, you could lose some or all of your invested money.** If the currency of the respective share class differs from the currency of the country where the investor resides the represented performance might vary due to currency fluctuations. The sub-funds mentioned are part of Nordea 1, SICAV, an open-ended Luxembourg-based investment company (Société d'Investissement à Capital Variable), validly formed and existing in accordance with the laws of Luxembourg and with European Council Directive 2009/65/EC of 13 July 2009. **This document is advertising material** and does not disclose all relevant information concerning the presented sub-funds.
